PROSPECTUS: TOWARD A NEW WESTERN RELIGIOUS LIFESTYLE

by H. Paul Santmire

--In the modern West history has overheated.

--The problem is how to cool down the molten flow of history without congealing us all in the status quo.

--Encounter with other religions -- Tillich's remark

A Theology of Complementarity

Theology of the Word	Theology of Silence
Verbum externum	verbum internum
speaking	listening
boldness-hold firm	humility -- let go
marching	centering
sense of mission	sense of wholeness
exclusive	inclusive
independent	interdependent
community	solitude
work	play
drawing on God	enjoying God
the future Kingdom	eternal now
transformation of self	integration of self
transformation of society	political detachment
child of light - clear sense of direction	child of shadows -- encounter nothingness
reasoning	awareness
revolution and liberation	reconciliation and communion
